FREIGHTMEN SHARE THE BURDEN

THE redevelopment of the fourth floor at the Women's and Children's Hospital benefited from the International Freight Charity Ball.

A cheque for \$6000 was handed over when industry representatives visited the hospital.

Each year freight businesses get together for a celebration of industry achievements and raise funds for a charity.

This year's sponsors included Flinders Ports, ImpEx Personnel, Adelaide Airport, CSX World Terminals, Cathay Pacific, KLM, Singapore Airlines, Australian Air Express, Port Power, Adelaide United Football Club, Coopers Brewery and Mitsubishi.

Behind the scenes were Richard Brine, Cherre Figg, Clare McMullen, Channon, Kellie Bartlam, Paula Bray and Derek Rodway.
