

Logistics Operations Team Member - Casual

Flinders Ports is the private port operator in South Australia operating 7 commercial ports across the State. The Logistics department of the business is growing to cater for strong customer demand.

As a casual Logistics Operations Team Member you would provide services as a mobile plant operator and a range of other services as part of a multi-skilled team at Flinders Ports (predominantly based in Port Adelaide).

The team will also be involved in rail yard operations at 29 Berth, Port Adelaide and loading and unloading of trucks in the terminal yard.

The role would require you to work shift work on a 24/7 basis initially 2 days per month but with potential for growth as the business grows. This role would be suitable for someone who is flexible and has alternate employment.

If you are a person who likes working in a diverse working environment and has any of the following licences/qualifications, you could be the person we are looking for:

- Reach stacker
- CN Crane (mobile non slewing crane)

Your attention to detail and safety focussed approach will be key criteria in this role.

There are many positions to be filled with a possible start date of late January.

If you have a current Maritime Security Identification Card (MSIC), this would be an advantage to your application.

On the job training will be provided for enthusiastic and motivated people who want to join a growing and exciting business.

Shortlisted candidates will be required to undertake online testing and medical examinations including drug and alcohol screening.

Applicants **MUST** apply **ONLINE** and this intake closes on the **15th of January 2012**. No hand delivered applications will be accepted. Find out more and apply online by going to www.flindersports.com.au/careers1.html

To enquire about this role further contact Darren Franklin on 0419 848 759 or Henry Minkus on 0427 420 410 Monday to Friday 9am till 4pm.
